Woking Dance Space Renovations

The studio has had a face-lift! As I speak, I have not yet seen our 'new' studio, although I understand that there have been substantial changes.... Excitement is brewing...Saturday Tap & Modern won't resume as scheduled on 5th Sept. Classes will now start on Sat 12th Sept - Sat 5th Dec.

And finally.... After a year away from teaching, I am returning... and looking forward to it enormously. Geena will continue teaching the Tuesday and Saturday classes whilst I teach at Halstead.
